P.O.W.E.R. Collaborative Network (PCN)-- Partnership Opportunities With Economic/Educational Resources. The mission is to help empower business and community residents through quality education and training resources. To help empower businesses with vital support services and growth opportunities, which will empower people with self-sustaining employment opportunities.

The PCN stimulates workforce preparation programs to create a more coherent, comprehensive, accountable, and customer-focused business product. The PCN meets monthly at various member locations. Discussions on job recruitment, funding, training, and workforce projects are relative topics in each meeting.

The PCN general operational requirements are met from in-kind support of the member agencies and contributions. (Feel free to submit your e-mail address and/or fax number to receive a monthly meeting notice and agenda.)
