

The P.O.W.E.R. Collaborative Network (PCN) represents Partnership Opportunities With Economic/Educational Resources.

It serves as a nonprofit business group to empower job developers with client service assistance through quality information and education in career, job, and training resources.

The PCN offers industry vital support services and growth opportunities in order to empower people with self-sustaining employment opportunities.

The PCN stimulates workforce preparation programs to create a more coherent, comprehensive, accountable, and customer-focused business product.

The PCN monthly meetings discuss job recruitment, funding, training, workforce projects, and other related topics.
